## OBJECTIVE

---

As a Beginner in the Industrial environment, while making a positive contribution, I would like to build a career, making the best use of my logical, analytical, and creative skills to perform the job effectively and efficiently.

## EDUCATION

---

<b>B.Tech, Malla Reddy Engineering College,</b>	May 2024
Computer Science and Engineering - AI and ML	CGPA - 8.22

<b>Intermediate, Narayana Junior College,</b>	March 2020
MPC	CGPA - 9.22

<b>10th Grade, Sri Sai Chaitanya High School,</b>	March 2018
SSC	CGPA - 9.5

## SKILLS

---

<b>Technical Skills</b>	Python, MySQL, HTML, CSS, JavaScript, Django, Data Structures(Basics)
<b>Soft Skills</b>	Teamwork, Leadership, Problem-Solving, Communication

## INTERNSHIP

---

<b>Machine Learning Technologies</b>	May 2023
NILTECH-EDU	Hyderabad

- Gained hands-on experience in Full Stack development and Machine Learning, focusing on backend and frontend development, database management, and integrating data-driven models for enhanced functionality.
- Developed a Job Portal Web Application using Django, implementing responsive UI, optimized database performance, and seamless job postings and applications.

## PROJECTS

---

**Enhanced Detection of Diabetic Retinopathy.** The Model specifies and detects the diabetic retinopathy of patients based on their fundus (eye) images and classifies the patient has diabetes or not. Tech Used : Python, Tkinter, VGG16 Model, Keras, Numpy, Matplotlib, scikit-learn.

**Real Time Stock Price Prediction.** Predicting the future stock price by analyzing the time series of stock data and training LSTM model with historical data or previous dataset. Tech Used : Pandas, NumPy, Matplotlib, TensorFlow.

## CERTIFICATIONS

---

- Introduction to Programming using Python - Microsoft Technology Associate
- Azure Fundamentals - Microsoft Certified Fundamentals
- The Joy of Computing Using Python - NPTEL
- Fundamental Algorithms: Design and Analysis - NPTEL

## CO-CURRICULAR ACTIVITIES

---

- Participated in Industrial visit to T-Hub, Hyderabad and Vishesh 2K21 - Inter College Technical Fest.
- Interests : Playing Cricket, Travelling, Music, Swimming.
